## CORE OF DESIGN

### VISION

Quality is not an accident, it is only the result of intelligent efforts. This is the key belief within the KUKA family that leads us to success.

We become a key element in our consumers' daily lives. We become a part of the family.

To ensure only top grade products leave the factory, our expert craftsmen follow stringent production techniques and use only the best available materials when bringing quality designs to life.

### R & D

KUKA invests tremendous resources in product research and development. KUKA's customers get next season's best sellers while their competition is still guessing what to do.

An average of 50 new design proposal drawings are created here each day. To date, KUKA has received more than 200 furniture design awards. To protect our creativity, 573 models have been patented.

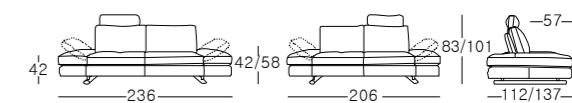

1281

1372

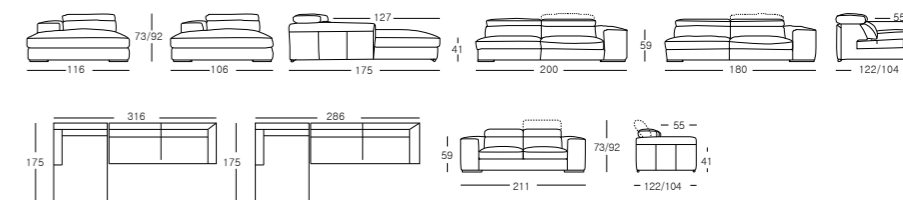

Functional and stylish, this model is featuring with two-layer seat cushions and the cylindrical sofa feet. Added lounging space can be adjusted by a simple lift of the back cushion.

1375

Simple, stylish and fashionable. Adjustable backrest and removable seat suit to any body gesture, providing you with ultimate comfort.

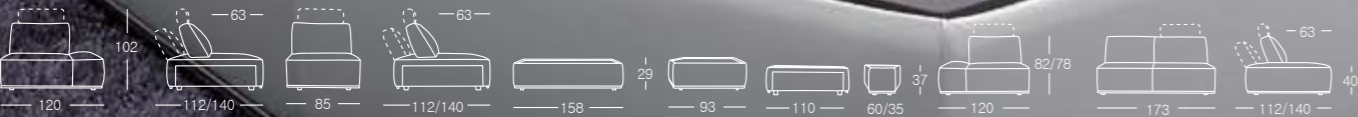

# 1009B

Runway style and fashion come together in this beautifully designed oasis. The ultimate seating comfort is highlighted with luxurious scatter backs, beautifully finished wooden top arm and magazine side tables; all set on an upholstered base.

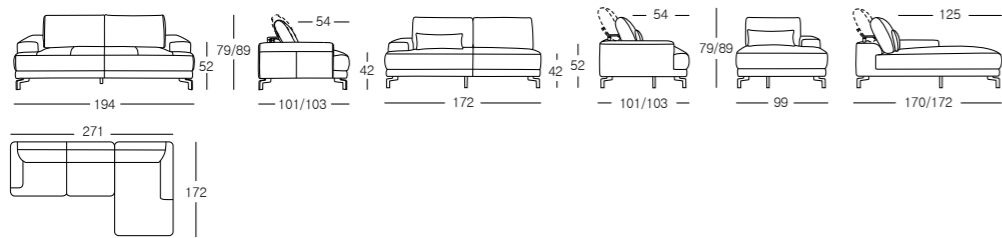

1323

Modular pieces allow you to make your own configuration with this simple and elegant style. Offering adjustable headrest, added lounging space is a simple lift of the back cushion. Notice the feather and down cushions, movable coffee table, and stainless steel feet which add the value. Configuration can be put together as a large sectional or smaller version by adding and subtracting the modular pieces.

1329

Minimalistic styling with luxurious comfort showcases a large buttonless tufted seating space, tight backs with added padding and stylish chrome legs.

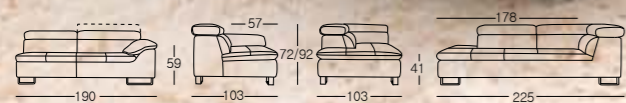

# 1369

Reversed ladder style, this model is blending contemporary and simple with plump armrest, high backrest and luxurious chaise. The comfort is enhanced by the adjustable ratcheting headrest and armrest.

1332

The function of the backrest can automatically adjust itself to meet not only practical but also beautiful. A precise combination of efficiency and contemporary design, where proportions and functionality are well balanced.

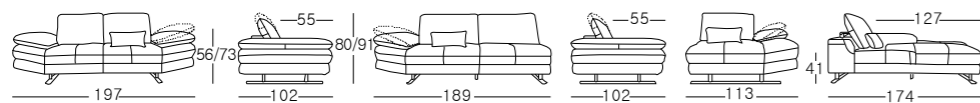

1339

This high-back design with deep seating and leg support gives you the feeling of being wrapped in comfort and luxury. A style built for relaxing and lounging.

# 1368

Modern and functional with uplifted armrest, adjustable ratcheting armrests and backrests. This style brings comfort and function together, cradling you in total comfort.

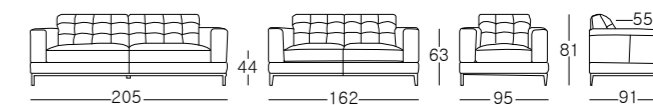

1558

Functional and stylish, featuring a chrome base and low sleek lounging space. Adjust the ratcheting headrest mechanisms to suit your personal comfort needs.

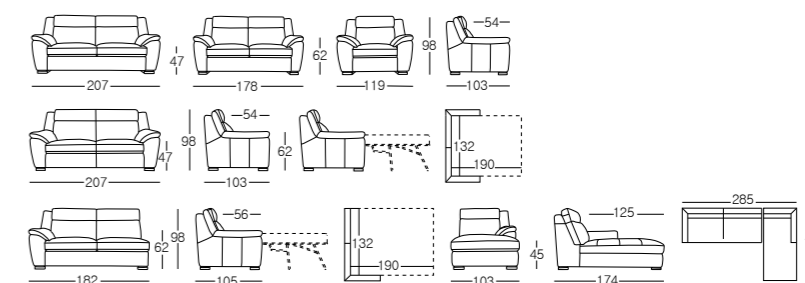

1365

As easy as it gets. Modern linear design mixing the Nordic feeling with a classical chic, the tall inserted stainless steel legs are just staggering nice reminding of the stiletto heels that did influence their creation. For non complicated, highly enjoying people. Great value.

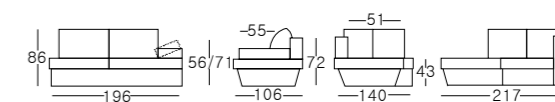

1367

With its sleek styling and contemporary appearance, this fabulous sofa-bed offers the ultimate modern look, beautifully curved armrest as well as the comfortable backrest. The stainless steel feet adds the value.

1176

Curvaceous and sexy this unique design is Kuka signature style. Elegantly designed, this beautiful two piece design offers luxurious padded seating, stylish button back and adjustable armrest.

1555

Simple and fashion design shows the idea of longing for freedom life. Unique and adjustable mechanism on the back offers you different sitting feeling. Push the back, deeper seat can be used as a comfortable bed.

1576

Sleek, clean lines highlight this modern, yet comfortable sofa grouping featuring ratcheting adjustable headrests, ample armrest and the metal feet. The chaise lounge is perfect to decorate a cozy corner or a sprawling seating lounge. Notice the modular pieces can be formed in accordance with your individual needs.

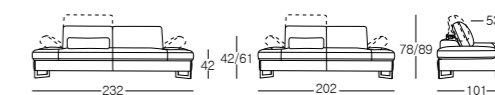

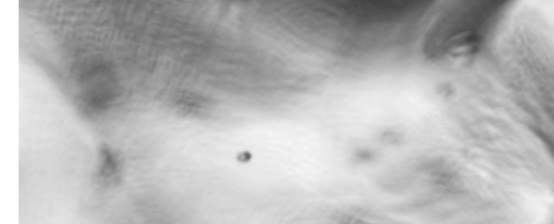

1502

Innovative concept comes in an elegant and sleek design, featuring the movable backrests and seating cushions. Perfect for free life stylists.

1535

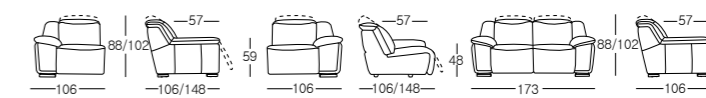

Fashionable and modern design emerges the conception of pushing on the backrest function, fulfill your demand of convenient change of lay, lean and sit. Strong visual impact by slim seats and backrests combined with heavy foundation, metal feet increase more flavour of modern.

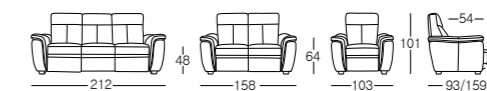

# 1511

When the name has its own specific reason. By working on this product we aimed to reach a royal combination of extreme confort applied to intriguingly easy lines. It's all in its accurate proportionalism, bimaterila details, the recliner moves at your simple pressure, you can adjust the headrests, and open it all to have the supreme confort for your eyes (look it from the side ) and for your body. You deserve it.

1539

This is a model with comfort & temperament. It absorbs the essence of concise design and shows its unique fashion. L-shape armrest breaks the normal design, being the highlight and adding the value and sense of design.

1573

Simple straight lines with fully-upholstered seat/back cushions and armrests make it stereoscopic and fashionable. Inclined armrests and back cushions with ratchet headrests allow extra comfort, the metal legs well-emphasizes the contemporary trend.
